#### **About B2Gold Corp.**

Headquartered in Vancouver, Canada, B2Gold Corp. is the world's new senior gold producer. Founded in 2007, today, B2Gold has five operating gold mines, and numerous exploration and development projects in various countries including Nicaragua, the Philippines, Namibia, Mali, Burkina Faso, Colombia and Finland.

With the large, low-cost Fekola Mine now in production, B2Gold is well positioned in achieving transformational growth. In 2018, with the planned first full year of production from the Fekola Mine, consolidated gold production is forecast to be between 910,000 and 950,000 ounces. This represents an increase in annual consolidated gold production of approximately 300,000 ounces for the Company in 2018 versus 2017.
